

Broadneck High School - School Improvement Plan

Goal 3: By June 2013, Broadneck High School will have established community partnerships that promote accelerated achievement in a welcoming school environment.

Objective #1: On an annual climate survey addressing school safety, Broadneck High School will be safe in accordance with MSDE standards.

Milestone(s): We will analyze data collected from the MSDE website.

Evaluation: Did Broadneck High School meet the MSDE requirements for safe schools?

Strategy: Identify, design and implement effective programs, which will promote school safety.

Broadneck High School - School Improvement Plan

Goal 3: Broadneck High School will continue to establish community partnerships that promote accelerated achievement in a welcoming school environment.

Objective #2: On an annual climate survey addressing school communication and environment, Broadneck High School students, faculty, and parents will indicate an increase in % of satisfaction. (See Chart)

Milestone(s): We will analyze data collected from the Shogoll Climate Survey to ensure that all stakeholders indicate satisfaction with the climate of the school.

Evaluation: Did 85% of BHS stakeholders indicate satisfaction with the climate of the school?

Strategy: Identify, design and implement effective programs, which will promote increased community involvement and satisfaction with the school.
