- Smooth opening to school year.
- Guidance office was not overwhelmed as in previous years.
- The building addition is up, under roof and brickwork is finished. Occupancy is scheduled for mid-January. There will not be teachers added to the staff. The number of teachers are based on enrollment numbers. There is the opinion that the

state of the economy may make for a smoother transition rather than a sudden increase of enrollment.

- 3 National Merit Semi-finalists from BHS.
- Regarding Homecoming Dance: A single dance is in line with other county schools. Eases supervision problems. 1,000 tickets will be sold. Tickets will be offered to seniors first, juniors, sophomore and freshmen follow. A behavior contract must be signed in order to purchase tickets.
