

Broadneck High School
PTSO minutes
March 1, 2011

In Attendance: David Smith, Rob Baicar, Alice Willison, Cori Dykman, Christie Folderauer, Claudia Boldyga

President's Report - Rob

- Rob has a new e-mail but it is not working.
- Brian Hussey puts on a luau for a teacher's luncheon and is looking for \$200. Vote taken, motion passed by PTSO.

Treasurer's Report – Alice

- Money coming in for prom breakfast. \$1800.
- Alice thinks that we do need to file taxes and that we have good records. If we don't file they can take away our non-profit status. Some vendors ask for a 501C certificate. Fiscal year is when it is due. Looking to use another parent from Windsor Farm parent to help. If it is difficult can she get help?
- Music Boosters wants money, approved \$600 same as last semester.
- Girl Scout looking to get a gold award wants to make a rain garden for the school and needs money. Christie is working with her, and her horticulturist is giving her donations to cut down the costs. She needs to go through the channels with the schools system because of digging in the school.
- Where would the money for the luau come from? Every time we approve something we should vote where it gets pulled from. Many item have funds from previous years.

Hospitality – Christie

- Honor Roll – do we want to change what is done and give those Chick Fila gift certificates? Is there a better way to recognize kids than pulling them out of class? There is still money in the budget for recognition. There is no date set for the next recognition of students. Ask SGA for their opinion on what kids would want.
