

Broadneck High School Music

2010 Broadneck Marching Bruins

As our summer vacation comes to an end and we approach a new school year I hope everyone has enjoyed the time off and is ready for a great 2010 season! Our music this year is an exciting original composition by Frank Sullivan titled *Everest: The Ascent* and we are certain this will be a crowd pleaser!

Included in this letter are important reminders that will smooth the progress of our first camp days.
