## **Broadneck High School Wind Ensemble**

Congratulations on being selected to perform as a member of the 2010 BHS Wind Ensemble. As a member of this performance ensemble we will have numerous responsibilities to fulfill but with each rehearsal and performance we will grow as musicians together. Our primary focus will be preparing for the Anne Arundel County Band & Orchestra Festival and Spring Concert. I have chosen challenging but exciting literature. Each piece possesses different musical challenges and will require a lot of independent practicing on each of our parts. Recordings will soon be available on the band website and some pieces will also be available on Smartmusic.

### **Rehearsal and Performance Dates:**

It is very important that you make each of these rehearsals! If you cannot make it to a rehearsal you must notify me in writing and discuss it with me before your absence. If you're involved in a BHS athletic team please let me know your calendar of games/meets/matches so we can work out any conflicts.

### **Private Lessons**

Private lessons are highly encouraged as a member of this ensemble. We are very fortunate to have many wonderful professional musicians living in our attendance area. If you have never taken private lessons before please consider taking some lessons this spring! I have a list of recommended teachers in our area.
