Help is needed for the following Marching Band events. Mark the ones where you are most interested in volunteering. Please remember that our music department's and marching band's success depends on the support of our parent volunteers.

- Band Camp**
(Snack breaks, lunch breaks, Parent Performance Ice Cream Social at the end of camp)
- Bands by the Bay Tournament (October 11th) & Chapter Championships (November 1st)**
We really need 100% participation for these two days. These are our biggest fundraisers both logistically and also financially. There are several committees that meet to organize the event and each committee will need several parents/alumni helping on the actual tournament day.
- Band Uniforms** (Chairperson: Joyce Johnson)
(fitting, hemming, organization, distribution)
- Sewing** Guard Uniforms and Flags
- Spirit wear** (Chairperson: _____)
(Ordering, selling BHS Music Spirit items at BHS music events.)
- Publicity** (Chairperson: _____)
(Helping to get information to the public about our events.)
- Phone Tree**
- Pit Crew** (Helping to load instruments/equipment and taking them to performances. This also includes helping the band with their equipment onto the field)
- Football Friday Dinners** Help needed with ordering, set up, collecting money, serving, clean-up throughout the season.
- Volunteer Coordinator** (Organize volunteers and place them where most needed. This person is especially helpful to the success of our Tournaments.
- Chaperones** (We need chaperones for football games and every away performance)
